1. CocoHydro®
   Coconut Water Mix
   www.cocohydro.com
   $11.99, 9.7 oz package

Don't be fooled by cooler weather on the way! It's important to stay hydrated year round, and what better way than with CocoHydro Coconut Water mix? With more potassium and less sodium than most sport and energy drinks, CocoHydro comes in a resealable pouch that provides about 25 eight-ounce servings. Ounce per ounce, CocoHydro is about half the price of ready-to-drink coconut waters and is available in three delish flavors: Original, Pineapple and Pomegranate Raspberry.
